

SVERIGES NEUROPSYKOLOGERS FÖRENING

13th Nordic Meeting in Neuropsychology

"The Plastic Brain – Changes in Brain, Cognition and Behaviour"

August 22-24, 2018

Clarion Sign Hotel, Stockholm, Sweden

On behalf of the Swedish Neuropsychological Society and the local organizing committee, I am glad to invite you to the beautiful city of Stockholm in the summer of 2018. The 13th Nordic Meeting in Neuropsychology will be held at Hotel Clarion Sign in central Stockholm, August 22-24.

Our main topic, "The Plastic Brain – Changes in Brain, Cognition and Behaviour – from basic neuroscience to clinical applications within pediatric and adult neuropsychology", will offer broad insights into the development and plasticity of the brain.

Our aim is to bring together researchers and clinicians in child and adult neuropsychology for fruitful interaction. There will be three days of keynote lectures, symposia, oral sessions and poster presentations. There will also be social events in evenings catching the unique atmosphere of Stockholm.

See You in Stockholm!

Bengt Persson

Conference president, chairman of the Swedish Neuropsychological Society

Pre Conference workshops

August 21, 2018

The day before the conference there will be a number of workshops to attend. The workshops are either in the morning from 9:00 to 12:00, or from 13:30 to 16:30. The workshops are not included in the conference fee so you must register for them separately.

Goal Management Training (GMT)

Jan Stubberud, Ph.D.
Sveinung Tornaas, Ph.D.

Developmental language disorders: Intervention and outcomes

Courtenay Frazier Norbury, Ph.D.

Brain mechanisms of chronic pain, human and animal studies

A. Vania Apkarian, Ph.D.

ADHD, or not: Addressing Clinical Dilemmas

Ida Sue Baron, Ph.D., ABPP

Psychological Trauma: Clinical Considerations for Neuropsychologists

Jennifer J. Vasterling, Ph.D.
Kevin Brailey, Ph.D.

13th Nordic Meeting in Neuropsychology
August 22-24, 2018

Keynote speakers:

"When Psychological and Neural Trauma Co-occur: PTSD and Mild Traumatic Brain Injury"

Jennifer J. Vasterling, Ph.D.

Professor of Psychiatry, Boston University School of Medicine
Chief of Psychology, Veterans Affairs Boston Healthcare System
Affiliated Investigator, National Center for PTSD

"Utilization of Advanced Neuroimaging in 21st Century Neuropsychology"

Erin Bigler, Ph.D.

Professor of Psychology and Neuroscience
Department of Psychology
Brigham Young University Provo, Utah, USA

"Stability and change in developmental language disorders"

Courtenay Frazier Norbury, Ph.D.

Professor
Royal Holloway, University of London
Egham, Surrey, England

"Risks and Consequences of Chronic Pain"

A. Vania Apkarian, Ph.D

Professor of Physiology, Anesthesia, PM&R
Department of Physiology,
Northwestern University Feinberg School of Medicine, Chicago, Illinois, 60610, USA

"Neuropsychology of Preschoolers: A Focus for the Future"

Ida Sue Baron, Ph.D.

Professor of Pediatrics and Neurology
University of Virginia School of Medicine
Charlottesville, VA
&
Clinical Professor in Pediatrics
The George Washington University School of Medicine
Washington, DC
