

10th Scientific Meeting of the Federation of the European Societies of Neuropsychology | 9-11 September 2027 | University of Warsaw, Poland

The Federation of the European Societies of Neuropsychology is delighted to welcome you to the 10th conference in Warsaw, Poland September 9-11, 2027, co-organised with the Polish Psychological Association.

The conference offers a unique opportunity for colleagues based in Europe and beyond, working in neuropsychology and related areas, to come together to discuss the latest developments in the field. Its aim is to advance both scientific knowledge and professional practice in neuropsychology. **We welcome submissions on all topics related to neuropsychology.**

Authors may submit abstracts relevant to the Conference for an individual Oral contribution, a Poster contribution or a Symposium: share your latest research, findings, and insights in neuropsychology and contribute to an inspiring programme bringing together researchers and clinicians from across Europe and beyond.

Discover the **Topics of Interest** and submit your work to be part of the scientific programme of FESN2027. **Submission Deadline: 8 March 2027**

The conference will be held at the main campus of the University of Warsaw, located in the heart of the city. The historic buildings and the beautiful green campus will provide an inspiring atmosphere for talks, symposia, poster presentations and academic discussions, as well as informal exchanges with colleagues and friends.

Join us for the 10th conference celebrations in Warsaw, a city with a rich mix of history, culture, and modern attractions, that will surely offer something for everyone!

Warm regards,

Randi Starrfelt	**Sarah MacPherson**	**Emilia Łojek**
President of FESN	Chair, Programme Committee	Chair, Local Organising Committee
